Characters:

BEAR
FISH
CAT
MOUSE

BEAR

(yawning and stretching) I am so tired! I can't wait to fall asleep for all winter!

BEAR falls asleep and snores. MOUSE scampers in around the sleeping BEAR and runs out. CAT runs in after the MOUSE, around the BEAR.

What was that! Hmmm. Probably just the wind.

MOUSE scampers in around the sleeping BEAR and runs out. CAT runs in after the MOUSE, around the BEAR.

There it is again! Who's there! I'm going to find out what's out there!

BEAR crawls to the river and sees FISH.

Fish! Were you running around me just a moment ago?

FISH
How could I run?! I don't have any legs! I have fins!

FISH performs tricks in the water. The MOUSE runs in, chased by the CAT.

MOUSE

Leave me alone, Cat!

CAT

I'm going to eat you, Mouse!

BEAR

Whoa! Hold the phone! You're not eating anyone, Cat! Because I'm going to eat all three of you!

BEAR chases after the CAT, MOUSE, and FISH in the river.

(FREEZE! Randomly select which animal wins, continue the scene.)

WINNER

Yum! They were so tasty! Now it's time to fall asleep for all of winter!

THE END!
